

2019-2020 Eğitim-Öğretim Yılı :

• It's my life!

Proje hakkında

The basic idea of this project is to create a real connection and friendship between the partner students. The students will get to know each other, share information and experiences and learn communication (in foreign language) and ICT skills at the same time. Students will learn to discuss different matters freely and connect them to their own lives. The project bases on 10 themes about teenagers' life -School Life, Plans, Legendary Figures, Traditions, Travel, Shopping, Food

And Festivals, Digital Era, Helpful Tips, Modern Heroes And Heroines. It takes about one month to carry out the activities in one module.
